Common Ground

Middle / High School Outreach Performance

Give your students an awesome “out of the box” dance experience. This production mixes classical and contemporary styles of ballet together to create something stunningly original.

- Performed by the 20-member State Street Ballet of Santa Barbara
- Just \$5.00 per student

Your students will experience the professional artistry of three contemporary dance pieces performed by State Street Ballet.

Excerpt from Common Ground that melds classical dance with contemporary movement and is set to the recomposed score of Vivaldi's (The Seasons) by Max Richter.

A section of Five by Gershwin choreographed by William Soleau (NYC) and praised by the Los Angeles Times for its “breezy romanticism” and “uplifted elegance”.

Con(ver)sion by Cassandra Taylor Newberry that debuted on the company in spring of 2016 to rave reviews. Done to music by Thomas Newman and “The Junkman”, this piece uses percussive sound effects and a unique vocabulary of movement to create an athletic tour de force.
